

George Wrench

FRONT END WEB DEVELOPER

Hi I'm George Wrench a self-taught, highly motivated Front End Web Developer. I primarily focus on writing clean code with HTML, CSS and Javascript within the React Library. I've created many projects on my journey so far. Feel free to have a look at a sample of them over at www.georgewrench.com.

EXPERIENCE

Freelance Musician — *Trombonist*

2012 - PRESENT

Playing trombone in a professional setting in various ensembles around the UK and internationally.

Skills:

- Working alongside and in collaboration with others to create a professional performance often in a very short timeframe.
- Preparation, organisation and high attention to detail.
- High levels of self-motivation to ensure professional standard is maintained through regular individual practice.
- Calm under pressure having performed on stage at a range of venues including the O2 Arena in London.
- Self-promotion, marketing and networking skills.

House of Koko — *Barista*

2016 - 2020

Preparing specialty coffee and other hot beverages, customer service and training new Employees

Skills:

- Creating and implementing processes to improve the efficiency and effectiveness of tasks
- Training new employees to a high standard. Providing clear step by step instructions on using specialised equipment and making a variety of speciality coffees, and adapting my training approach to the individual.
- Coordinating with wholesalers to ensure stock is topped up.
- Strong communication and coordination- working well as part of a team in a fast paced environment to ensure a smooth service.
